OTHERS

12 | Live Q&A - Competition Details

Q: Other than Python, can we use other programming languages?

A: Yes! The most popular languages (Python, Java, Javascript, C, C++, Golang, R) are supported for the competition. You may use any language you prefer where applicable.

Q: I already have Kaggle account. Can I use what I have? Will there be any username differences?

A: Yes! The individual username will not have any impact on the competition. However, the team name used in the competition must be the same as what you have registered.

12 | Live Q&A - Competition Details

Q: For each competition, do we need all team members to participate in the Competition together?

A: Not necessary! However, we encourage all team members to participate so that you can learn and have fun together. More brains coming together can also solve the problems faster!

12 | Live Q&A - Competition Details

Q: Is there a certification at the end of the competition?

A: Yes, an online certificate will be provided at the end of the Shopee Code League to all participants.

12 | Live Q&A - Competition Details

Q: I cannot find any details of the Competition on the website at the moment. How do I participate?

A: The competition link will only be released on zoom real-time and on the Telegram chat thereafter. The administrative details will be released in the Weekly Announcement Email.

12 | Live Q&A - Training Workshops

Q: What happens if I miss the training workshop?

A: Each training workshop is only conducted once. However, a similar topic provided by another training partner could be conducted later. So do look out for our Weekly Announcement Newsletter for the details and sign-ups!

12 | Live Q&A - Training Workshops

Q: Can we join more than one training workshop?

A: Yes! We encourage you to join as many training workshops as possible! The workshops are free.

12 | Live Q&A - Others

Q: Are we required to enable webcam and microphone during training workshop and/or competition?

A: No, you are not required to do so! Read our Terms & Conditions for more information. https://careers.shopee.sg/codeleague/pdf/terms-and-conditions.pdf

12 | Live Q&A - Others

Q: Can I still make amendments to the team registration?

A: Yes! Please send in all your amendment requests to https://techatshopee.formstack.com/forms/shopee_code_league_amendments_form. Please do so by 26 June.
